TEATRO E MARIONETAS DE MANDRÁGORA

Teatro e Marionetas de Mandrágora is a professional puppet theater company, founded on 2 April 2002, directed by **Clara Ribeiro** and **Filipa Mesquita** and **enVide neFelibata** as art direction.

- In the symbiosis of a symbolic language that combines heritage and traditional legacy with the contemporary society's thinking and dynamics, in a dialogue that's not always peaceful, a fundamental element emerges: the puppet — the tool used in our quest for our own cultural identity.
- Our goal is to discover the puppet's own aesthetic, visual, scenic, and dramatic potential, as well as in the relation between actor and puppet. In this experience, we intend to find our own identity-based dramaturgy: the one that explores culture, belief, and folklore combined with the urban area, the technological exploitation and the global village's fast pace.
- Throughout our artistic journey, we created a wide range of proposals, both in terms of audiences (adults, youngsters schoolchildren, families) and in terms of training (basic and specialized).
- One of our major commitments is touring our projects, through the country and abroad. We constantly concern on decentralization, community work, partnerships, social and inclusive enhancement.
- For over two decades, the Company firmly established itself as a contemporary artistic creation structure by putting on a wide range of shows. Some creations our own, others resulted from partnerships with national and foreign cultural structures and entities.
- Our team has always had space to freely create according to each other's

language and vision, converging to develop and enrich the puppet theater's art.

- Our Company focuses on social vulnerabilities but also traditions and heritage through different but converging sights. Dialogue with all different audiences, blend our creations with sites and spaces, intersect with partner entities and structures is essential for creating multidisciplinary projects that prioritize communication with spectators.
- We would like to highlight our collaboration with numerous educational service teams while implementing our education activities program in institutions such as monuments, museums, and landmark buildings.
- *Teatro e Marionetas de Mandrágora is supported by Portuguese Republic – Culture, Youth, and Sports / Directorate-General for the Arts, Espinho Municipality / Espinho City Council, and Gondomar Municipality. The structure is based at FACE - Espinho Art and Culture Forum and headquartered in Gondomar.*

TRAVELLING THEATER

The outdoors, the street, and the open air are as much a way of being as they are a form of artistic dialogue. This is the privileged stage for community life. In a country like Portugal, the occupation of outdoor spaces—our squares, gardens, and beaches—is fundamental. These are places where the sun shines and where families, children, and spectators gather, turning artistic creation into a point of contact, with the sky and the landscape as their backdrop.

Since time immemorial, whether through small or large-scale works, historical contexts, or vibrant festivals, our territory has offered magnificent natural and urban spaces. We populate these settings with countless proposals born from our particular artistic way of being. Whether through new creations, itinerant performances, or the presentation of our beloved Teatro Dom Roberto, we believe that the street and the open air are inseparable from our journey.

The street is not simple; it contends with atmospheric unpredictability, the inconstancy of space, and shifting social dynamics. Yet, it is immediately embraced by the local population—the people who transform a fleeting performance into a lasting memory. We deeply value the outdoors and feel that it remains the ideal place to make art happen.
